***State law requires you to designate a campaign treasurer before, or at the time, you file your application for a place on the ballot. You may name yourself as treasurer. Once you file this document, you are required to file semi-annual Contribution and Expenditure reports (C&E's) until you file a final report. This must be filed even if you have nothing to report. File the final report on or before July 5, 2026 and you will not be required to file semi-annual reports. Successful candidates, however, are still required to file an annual report in the following January of each year. Again, this report is required even if you have nothing to report.
